Position: Quality Assurance Manager

Dear Sir,

Following the evaluation of your company that is trading at the address shown above, I am pleased to confirm that your company has become an approved supplier to GE Aviation Systems Aerostructures Hamble Limited (GEAS AHL). Your approval number is:-

GEAS AHL 880

Please ensure that you quote this number on all correspondence and certification documentation when you are releasing product to GE Aviation Systems Aerostructures Hamble Limited. Your scope of approval is :-

It is a requirement that you only supply product in accordance with your scope of approval. Should you be requested to undertake work for GEAS AHL which is outside your allocated scope, you are required to notify GEAS AHL Procurement Quality Assurance function so that suitable quality arrangements can be made.

Under the requirements of this approval, please inform GEAS AHL of any major changes in your; organisation, address, Quality system approvals. The GEAS AHL Quality requirements are described in the applicable paragraphs of QAS2000 section 2, a copy of which is enclosed. Your quality performance will be periodically reviewed, this approval may be suspended or withdrawn should the conditions under which it was granted no longer be applicable or maintained.

For and on behalf of GE Aviation Systems
Aerostructures Hamble Limited
